Referral service levels

Riverside Health Network - CarePath 1.0

Document REQ-CAREPATH-009 Version 1.0 2026-08-20

Urgent referrals are acknowledged within 4 hours.

Routine referrals are acknowledged within 1 working day.

An unacknowledged referral escalates to the care coordinator.

This answers BR-02 and the availability objective NFR-06.

Escalation

Coordinators review open referrals at 09:00 and 15:00.
A referral open for 3 working days is reported to the clinical lead.
Northvale referrals follow the same timings (A-02).
